

Meister Eckhart & Divine Awareness

Friday 16– Sunday 18, SEPTEMBER 2022

The 33rd Annual Conference of the Eckhart Society

High Leigh in Hoddesdon, Hertfordshire

FINALLY! After a two year hiatus due to the pandemic, we will gather in person once again. Today especially, when people feel so alienated and face such division in society, Meister Eckhart affords us a way to appreciate the God who is near to us. Through his language, spirituality, and theology this Medieval Mystic allows us to encounter the “God beyond God” and to grow in mystery. This conference will explore the various dimensions of Divine Awareness in Eckhart’s writings.
